

## **24-HOUR ACCESS**

### **Fulton Family YMCA**

We know you're constantly on the go. That's why the Fulton Family YMCA is pleased to offer our adult members (ages 18+) the convenience of 24 hours per day, 7 days per week, year-round access to our YMCA Fitness Center.

Please note that 24-hour access is to use the facility during non-staffed hours. There will be no staff available to assist after our normal hours of operation. Please visit our website, [fultonymca.org](http://fultonymca.org), to view current staffed building hours.

### **HOW TO APPLY FOR 24-HOUR ACCESS**

Adult YMCA members (ages 18+) may apply for 24-hour Fitness Center access at our member services desk. This benefit is ONLY for adult members of the Fulton Family YMCA. Individuals with a day pass, AWAY members, Nationwide members & other short-term memberships/visiting guests are unable to apply for access. To activate your access you must sign a 24-hour access waiver, agree to abide by our policies, and purchase a key fob for \$10 per fob. The YMCA will notify you when your key fob is activated. This process typically takes 1-2 days.

- ⇒ For information on youth membership rates please visit our website at [fultonymca.org](http://fultonymca.org)

### **KEY FOBS**

Your key fob is your after-hours key to the YMCA and is unique to your membership. Should you lose or damage your fob, report it to the Y immediately. A replacement can be purchased for \$10. To access the YMCA, hold your key fob up to the fob reader. You will hear the door activate and see the reader light turn from red to green. Pull on the door to gain access (there is a 10 second time limit). When entering and exiting the YMCA, please ensure the door closes behind you. Do not hold the door for anyone, as they will need to use their own key fob for access. This is so we can track who is in the building at all times. Key fobs may not be shared with others (including family), and members are not allowed to grant facility access to anyone else. Doing so is a violation of our policy and will result in you permanently losing your 24-hour access to the Y and a possible termination of your Y membership. We ask that all members scan both their Key Fobs and membership card when entering. The scanner will be placed visibly with easy access.

### **SAFETY & SECURITY**

Our YMCA facility is protected by our advanced security & video surveillance system. Note that this system does not provide staffing assistance for emergencies that might arise. As such, we highly recommend that you exercise with another 24-hour access member when using our facility outside of staffed hours. Telephones are located in the main lobby and in the fitness center. There is a first aid kit in the fitness center and an AED by the front desk. In case of emergency, please dial 911. For your safety, some parking lot lights will remain on after the Y closes. Please park in the lit area. Snow removal will not be enforced until staffed hours, possibly later due to certain weather conditions. During inclement weather, you may still access the facility after hours but at your own risk from the elements.

### **LOCKER ROOMS**

Locker Rooms will not be accessible during 24-hour access. The front lobby restroom will be accessible.
